#### Auditors' Responsibility

Our responsibility is to express an opinion on these standalone Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143 (10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone Ind AS financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditors considers internal financial control relevant to the company's preparation of the standalone Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

#### **Opinion**

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in

# Annexure - B to Auditors' Report

Referred to in Paragraph 2 (f) of our Report of even date of Integrated Glass Materials Limited for the year ended 31<sup>st</sup> March 2024

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013

We have audited the internal financial controls over financial reporting of Integrated Glass Materials Limited as of 31 March 2024 in conjunction with our audit of the financial statements of the ompany for the year ended on that date.

# Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

# Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

(1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

# Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Such accounting policies have been applied consistently to all the periods presented in these financial statements and in preparing the opening Ind AS Balance Sheet as at April 1, 2016 for the purpose of transition to Ind AS, unless otherwise indicated.

#### (a) Statement of compliance

In accordance with the notification issued by the Ministry of Corporate affairs, the Company has adopted Ind AS notified under the Companies (Indian Accounting Standards) Rules, 2015 with effect from April 1, 2017.

The Transition from Previous GAAP toInd AS has been accounted for in accordance with Ind AS 101 "First Time Adoption of Indian Accounting Standards" from April 1, 2016 being the transition date.

The financial statements have be prepared as a going concern for the reasons as set out under note "c" below.

#### (b) Basis for preparation

The Financial Statements have been prepared under the historical cost convention on accrual basis with the exception of certain assets and liabilities carried at fair values by Ind AS.Historical cost is generally based on fair value of consideration given in exchange of goods and services.

The company, based on the nature of its products and services and normal time between acquisition of assets and their realization in cash or cash equivalent, has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

#### (c) Going concern

"The Company is an integral part of the larger architectural business of its holding company. It however on a standalone basis has been incurring losses and the accumulated losses have exceeded its net worth. However, the accounts have been prepared on the fundamental assumption of going concern based on the continuous financial support extended by its holding company Asahi India Glass Ltd and factoring the following key aspects:

Hammund

i. The company is a debt free company.

ii. The company has been generally regular in payment of all its statutory dues.

iii. The Holding Company is the confirmed buyer to purchase all the produce of the company and hence the payments are also secured.

 The company enjoys the availability of mines to extract sand and plants to produce fine quality of sand.

#### (d) Property, plant and equipment-Tangible Assets

Property, Plant and Equipment are stated at cost, net of recoverable taxes, trade discounts and rebates and impairment losses, if any, less accumulated depreciation. Such costs include purchase price, borrowing cost and any cost directly attributable to bringing the assets to its working condition for its intended use.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost of the item can be measured reliably. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

#### **Depreciation method**

#### i. Tangible Assets

Depreciation on tangible assets has been provided on Straight Line Method on the basis of useful life and residual value as specified in Schedule II of the Companies Act, 2013. Depreciation on additions during the year has been provided on pro – rata basis from the month of addition or completion.

- ii. Gains and losses on disposals are determined by comparing proceeds with carrying amount and such gains or losses are recognized as income or expense in the statement of profit and loss.
- iii. Cost of items of Property, plant and equipment not ready for intended use as on the balance sheet date is disclosed as capital work in progress. Advances given towards acquisition of Property, Plant and Equipment outstanding at each balance sheet date are disclosed as Capital Advance under Other non current assets.

#### (e) Intangible Assets and Amortization

Intangible assets are stated at cost, net of recoverable taxes, trade discounts and rebates less accumulated amortization/depletion and impairment loss, if any.

The cost comprises of purchase price, borrowing costs and any cost directly attributable to bringing the asset to its working condition for the intended use.

Humando

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are recognized as income or expense in the statement of profit and loss.

Cost of items of intangible assets not ready for intended use as on the balance sheet date is disclosed as intangible assets under development.

#### Amortizationmethod and estimated useful lives

Intangible asset (other than Software) are amortized over a period of lease and Software are amortized over a period of five years.

#### (f) Impairment

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. Non financial assets that suffered impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

# (g) Financial Instruments, Financial Assets, Financial Liabilities and Equity Instruments

Financial Assets and Financial Liabilities are recognized when the Company becomes a party to the contractual provisions of the relevant instrument. Since the transaction price does not differ significantly from the fair value of the financial asset or financial liability, the transaction price is assumed to be the fair value on initial recognition. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities are added to or deducted from the fair value on initial recognition of financial assets or financial liabilities. Purchase and sale of financial assets are recognized using trade date accounting.

#### i. Financial Assets

Financial assets include Trade Receivables, Advances, Security Deposits, Cash and Cash Equivalents etc which are classified for measurement at amortized cost.

Management determines the classification of an asset at initial recognition depending on the purpose for which the assets were acquired. The subsequent measurement of financial assets depends on such classification.

#### Impairment:

The Company assesses at each reporting date whether a financial asset (or a group of financial assets) are tested for impairment based on available evidence or information. Expected credit losses are assessed and loss allowances recognized if the credit quality of the financial asset has deteriorated significantly since initial recognition.

Himmil's

#### De-recognition:

Financial assets are derecognized when the right to receive cash flow from the assets has expired, or has been transferred and the company has transferred substantially all of the risks and rewards of ownership.

#### Income recognition:

Interest income is recognized in the Statement of profit and loss using the effective interest method.

#### ii. <u>Financial Liabilities</u>:

For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to short maturity of these instruments.

#### De-recognition:

Financial liabilities are derecognized when the liability is extinguished, that is, when the contractual obligation is discharged, cancelled and on expiry.

#### (h) Inventories

Inventories are valued at lower of cost or net realizable value except waste, which is valued at estimated net realizable value. Cost of inventory includes all costs incurred in bring the inventories to their present location and condition. Cost of purchase inventory is determined after deducting rebates and discounts. Estimated net realizable value is estimated selling price less estimated cost as certified by the management. The basis of determining cost for various categories of inventories is as follows:

Finished Goods - on the basis of lower of cost and net realizable value. Raw Material — on the basis of lower of cost and net realizable value. Work in progress - on the basis of lower of cost and net realizable value. By-Products — on the basis of lower of cost and net realizable value. Consumable Stores - at cost.

Scrap of Stores & Spares - at estimated realizable value.

Cost is determined on a weighted average basis and cost includes direct materials, labour andmanufacturing overheads.

#### (i) Revenue

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable net of discounts, taking into account contractually defined terms and excluding taxes and duties collected on behalf of the Government.

#### i. Sale of goods

Sales are recognized as soon as goods are dispatched and are recorded net of returns, trade discounts, trade taxes. Sales of scrap is recognised on actual sale basis. Interest and other income are recognised on a time proportion basis.

Revenue from the sale of goods is recognized when the significant risks and rewards of ownership have been transferred to the buyer. No revenue is recognized if there are significant uncertainties regarding recovery of the amount due, associated costs or the possible return of goods or there is continuing involvement of management to the degree associated with ownership or control over the goods sold.

#### ii. Interest Income

Interest income is accrued on time proportion basis, by reference to the principal outstanding and the effective interest rate applicable.

#### (j) Cash and cash Equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents include cash in hand, demand deposits with banks, short term balances (with an original maturity of three months or less from date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

#### (k) Taxes on income

Income tax expense represents the sum of the current tax and deferred tax.

Current tax charge is based on taxable profit for the year. Taxable profit differs from profit as reported in the Statement of profit and loss because some items of income or expense are taxable or deductible in different years or may never be taxable or deductible. The company's liability for current tax is calculated using Indian tax rates and laws that have been enacted by the reporting date.

Current tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority.

The company periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax is the tax expected to be payable or recoverable in the future arising from temporary differences between the carrying amounts of assets and liabilities in the balance

Hammuslin

sheet and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences and deferred tax assets are recognized to the extent that it is probable that taxable profits will be available against which deductible temporary differences can be utilized. Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset realized, based on tax rates that have been enacted or substantively enacted by the reporting date.

Deferred income tax assets and liabilities are off set against each other and the resultant net amount is presented in the balance sheet if and only when the company currently has a legally enforceable right to set off the current income tax assets and liabilities.

Current and deferred tax is recognized in profit or loss, except to the extent that it relates to items recognized in other comprehensive income or directly in equity. In this case the tax is also recognized in other comprehensive income or directly in equity respectively.

#### (I) Employee Benefits

#### (i) Short term employee Benefits

Short term employee benefits are expensed as the related service is provided at an undiscounted amount expected to be paid. A liability is recognized for the amount expected to be paid if the company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

#### (ii) Post Employment Benefits

#### **Defined Contribution Plans**

The company's defined contribution plans includes Employees Provident Fund (under the provisions of the Employees' Provident Funds and Miscellaneous Provisions Act, 1952) and Employee State Insurance Corporation (under the provisions of the Employees' State Insurance Act, 1948). The company has no further obligation beyond making the contributions. The company's contributions to these plans are charged to the Statement of Profit and loss as incurred over the operating cycle.

#### (m) Earnings Per Share

Basic earnings per share is calculated by dividing the profit for the period attributable to the owners of company by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding without a

Hamondin

corresponding change in resources. For the purposes of calculating diluted earnings per share the profit for the period attributable to the owners of the company and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

#### (n) Exceptional items

When items of income or expense are of such nature, size and incidence that their disclosure is necessary to explain the performance of the company for the year, the company makes a disclosure of the nature and amount of such items separately under the head "exceptional items."

#### (o) Segment reporting

The company is primarily in the business of mining of Silica Sand. The Board of Directors of the company, which has been identified as the chief Operating decision maker evaluates the performance of the company, allocate resources based on analysis of various performance indicator of the company as single unit. Therefore there is no reportable segment of the company.

#### (p) Provisions and contingent liabilities .

A provision is recognized if as a result of a past event, the company has a present obligation (legal or constructive) that can be estimated reliably and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are recognized at the best estimate of the expenditure required to settle the present obligation at the balance sheet date. If the effect of time value of money is material, provisions are discounted using a current pre tax rate that reflects, when appropriate the risks specific to the liability. The increase in the provision due to passage of time is recognized as an interest expense.

A contingent liability exists when there is a possible but not probable obligation, or a present obligation that may, but probably will not, require an outflow of resources, or a present obligation whose amount cannot be estimated reliably. Contingent liabilities do not warrant provisions but are disclosed unless the possibility of outflow of resources is remote. Contingent assets are neither recognized nor disclosed in the Standalone Financial Statements. However, when the realization of income is virtually certain then the related asset is not a contingent asset and its recognition is appropriate.

#### (q) Finance cost

Finance cost being interest on advance from customer against sales are charged to the Statement of Profit and Loss for the period for which they are incurred.

Hamanwalin

#### (r) Use of Estimates and Critical accounting Judgments

The preparation of Financial Statements is in conformity with generally accepted accounting principles which requires management to make estimates and assumptions.

The estimates and the associated assumptions are based on historical experience, opinions of experts and other factors that are considered to be relevant. Actual results may differ from these estimates.

Significant judgments and estimated are made in areas relating to useful lives of Property, Plant and Equipment, impairment of Property, Plant and Equipment and recognition of provisions and exposure of contingent liabilities relating to pending litigations or other outstanding claims etc.
